

PURIST AUDIO DESIGN

To all our Japanese friends – music lovers and audiophiles:

For the past five years - since March 1, 2006 - *Purist Audio Design* has been honored by the strong and faithful collaboration offered us by *Hino Enterprise Co., Ltd.* (Osaka) as official importer/distributor of *PAD* products to Japan, traditionally one of our most important international markets.

With tireless devotion, *Hino Enterprise* helped us maintain, develop and enhance the good reputation that we built in Japan over many years with our unique products and services. With much gratitude and some sadness we salute *Hino Enterprise* for its years of faithful representation.

Now, with the blessing, encouragement and active guidance of *Hino Enterprise*, we pass the torch to a new generation. We are very proud to announce the appointment of *AlphaMega Corporation* (Tokyo) as the new and exclusive importer/distributor of *PAD* products and services to Japan, effective March 1, 2011.

AlphaMega, with its decades of experience, powerful presence and strong dealer network, will allow us to open the world of *PAD* to a broader spectrum of music lovers and audiophiles throughout Japan. With deep respect and high confidence, we welcome *AlphaMega* to the *PAD* team.

Sincerely,

*Jim P. Aud, CEO & Founder
